Management Discussion and Analysis Report

INDIAN INDUSTRY OUTLOOK

India is the world's second largest producer of cement after China. The demand for cement, being a derived demand, depends mainly on the industrial activities, real estate business, construction activities and investment in the infrastructure sector. India is experiencing growth in all these areas and hence the cement market is moving ahead in spite of the world-wide economic recession. The initiatives provided by the Government of India to various infrastructure projects, road network and housing activities will provide required stimulus towards the growth of cement industry in India. Strong demand from the housing sector is also anticipated arising out of increasing urbanization, the burgeoning middle class with higher disposable incomes and Government stimulus for enhancing rural income and affordable housing.

As per Cement Manufacturer's Association (CMA) India has 139 large cement plants and 365 mini cement plants as on 31.03.2011. It will be worth noting that according to CMA the cement production has also increased to 179.79 MT during the year 2011-12 as compared to 169.21 MT of cement production during the previous year 2010-11. Cement Manufacturer's Association (CMA) is targeting to achieve 550 MT capacities by 2020.

NORTH EAST INDIA SCENARIO

India's North Eastern region is a rainbow country, extraordinarily diverse and colorful, mysterious when seen through parted clouds. Despite of being full of natural resources, it is a very poignant situation that it is one of the most backward regions of our Country.

By 2020, the people of North East India want to see their region strong, confident, peaceful and want to witness a never ending elevation. The policies on North East India strive to improve infrastructure in order to enhance connectivity and facilitate trade and promotion of tourism industry. The region now aspires to have economic, social and cultural progress so that it may lead towards prosperity and well-being. The NE India is gradually heading towards banishing poverty and illiteracy and higher disposable incomes which reflects rapid increase in cement consumption in the region and serves as the idyllic situation for the cement industries to develop and grow. With the progress of the master plan of development of Eight Sisters, your Company will also mature and develop more by time.

COMPANY PERFORMANCE

The following are the highlights of the performance of the Company :-

	FY 2011-12	(Rs. in Lacs) FY 2010-11
Net Sales	9722.84	8994.43
Profit/(Loss) after tax	(670.89)	57.70
Net Worth	8322.58	8993.47
Borrowings	2772.22	1469.65
EPS	(3.03)	0.26
Production (MT)	183073	167871
Despatches (MT)	186655	166630

During the year ending on 31.03.2012 your company has suffered loss of Rs. 671 Lakhs in comparison of profit of Rs. 58 Lakhs in the previous year. The reason of such a shrink performance of the company is mainly due to fall in NCR due to increased competition, increase in Interest and Financial Costs, exhaustion of VAT exemption and increase in Power & Fuel costs.

PERFORMANCE OF SUBSTANTIAL SUBSIDIARIES

The performance of the subsidiary companies viz. Badarpur Energy Private Limited (BEPL), Meghalaya Minerals and Mines Limited (MMML) and Cement International Limited (CIL), for the financial year 2011-12 as compared to the financial year 2010-11 is as under:

RISKS AND AREAS OF CONCERN**• COAL**

The fuel and energy costs account for 30% of total costs of cement and the same have seen an increase of around a 20% CAGR over the last seven years in the cement industry. In India, during the period 2011-12 the coal prices had a significant increase due to reduced supplies, rising freight costs and higher imported coal quantities in India. Thus, the cost of coal is a major area of concern for your company due to its direct co-relation with economy of the country and other global factors.

• TRANSPORT

The foremost reasons for increase in transportation cost are freight & fuel costs which are also vital areas of concern for your company. Freight costs account for 22% of total costs of cement and the industry have seen almost a 25% CAGR increase over the last seven years. Currently, only 30-35% of cement in the country is moved by railways, a sharp drop from 60% seen 10 years ago. Recently, railways have increased freight by 30% which will have an additional impact on a shift towards road for transporting cement. However, due to better realization of finished product, we would be able to offset the same against increased cost.

• INFLATION

The March 2012 inflation stood at 6.9 per cent was close to the Reserve Bank's indicative projection of 7.0 per cent. Keeping in view the domestic demand-supply balance, the global trends in commodity prices and the likely demand scenario, the baseline projection for WPI inflation for March 2013 is placed at 6.5 per cent as per Reserve Bank of India Monetary Policy Statement 2012-13.

• INCREASE IN DUTY

One of the highest taxed sectors in the country, the cement industry today stands at the crossroads. Inadequate power and fuel supply, rising input cost and high State and Central taxes threaten to derail expansion of the sector. The per capita cement consumption in India stands at 156 kg against the world average of 356 kg. In the Union Budget 2012-13, the cement industry has been taxed heavily not only on account of change in the basis of excise duty from 10 per cent to 12 per cent but also due to change in the basis of charging excise duty on the retail selling price (RSP) instead of transaction value. The major area of concern is additional levy coming on the back of recent hike in the rail freight would considerably affect the delivered cost of cement to the consumers and, hence, the cost of construction would be adversely impacted.

• CHANGES IN GOVERNMENT POLICY

Growth prospects in the Cement Industry are highly dependent on various Government Policies. With the boost given by the government to various infrastructure projects, road network and housing facilities, growth in the cement consumption is anticipated in the coming years. Any change in the same may have an adverse impact on the demand for the cement and consequently will have a negative impact on the sales and profitability of the company.

• LAW & ORDER IN NE REGION

The North East Region had been prone to many terrorist attacks and various acts of violence which had given a very adverse effect on the law and order in the region. The continuance of such fanatic activities is also a major area of concern as they may affect the business, results, operations and financial conditions of your company.

Annexure "A" to the Auditors' Report

Re: Barak Valley Cements Ltd.

Annexure 'A' referred to in paragraph 3 of our report of even date:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All the fixed assets have not been physically verified by the management during the year, but there is a regular programme of verification which, in our opinion is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) There was no disposal of a substantial part of fixed assets during the year.
- (ii) (a) The inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.
- (b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
- (c) The company is maintaining proper records of inventory. Discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in the books of accounts.
- (iii) (a) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to Companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly sub clause (b), (c) and (d) of the Order are not applicable.
- (b) According to the information and explanations given to us, the company has not granted any loans, secured or unsecured from Companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly sub clause (f) and (g) of the Order are not applicable.
- (iv) In our opinion and according to information and explanations given to us, there is an adequate internal control system commensurate with the size of the company and the nature of its business, with regard to purchase of inventory, fixed assets and for the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal control system in respect of these areas.
- (v) (a) According to the information and explanations given to us, we are of the opinion that the transactions that need to be entered in the register maintained under section 301 of the Companies Act, 1956 have been so entered.
- (b) According to the information and explanations given to us, the transactions made in pursuance of contracts or arrangements entered in the register maintained under section 301 of the Companies Act, 1956 and exceeding the value of rupees Five Lakhs in respect of each party during the year have been made at prices which are reasonable having regard to prevailing market price at the relevant time.
- (vi) The Company has not accepted any deposits from the public to which the directions issued by the Reserve Bank of India and the provisions of Section 58A and 58AA of the Act and the rules framed there under apply.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size of the company and nature of its business.
- (viii) We have broadly reviewed the accounts and records maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 209(1)(d) of the Companies Act,1956. We are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- (ix) (a) According to the records of the Company, the company is regular in depositing undisputed statutory dues including provident fund, investor education and protection fund, income tax, service tax, excise duty/cess and any other material statutory dues applicable to it, with the appropriate authorities. There were no arrears of statutory dues as at 31st March, 2012 except for a sum of Rs. 10,87,184/- on account of Cess on Cement for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, details of disputed statutory dues, which have not been fully deposited with the appropriate authorities, are as under:

Name of the Statute	Nature of Dues	Amount (Rs. in Lakhs)	Period to which amount relates	Forum where dispute is pending
Income-Tax Act, 1961	Income-Tax Demand	356.69	Assessment Year 2005 - 06	ITAT, Guwahati Bench.

1. CORPORATE INFORMATION

Barak Valley Cements Limited (the company) is a public limited company incorporated under the provisions of the Companies Act, 1956. Its shares are listed on National Stock Exchange and Bombay Stock Exchange of India. The company is engaged in the manufacturing and selling of various brands of Cement primarily in North Eastern States.

BASIS OF PREPARATION

The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**2.1 PRESENTATION AND DISCLOSURES OF FINANCIAL STATEMENT**

During the year ended 31st March, 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

2.2 ESTIMATES :

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.3 FIXED ASSETS:

- (a) Tangible Fixed Assets are stated at their original cost of acquisition, installation or construction (net of Cenvat credit, if any) less accumulated depreciation, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the assets to its working condition for its intended use, less trade discounts, rebates, specific grants received.
- (b) An Intangible asset is recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful economic life. Expenditure on purchased software and IT related expenditure are written off over a period of three years.
- (c) Capital Work -In -Progress: Capital work in progress is carried at cost comprising direct cost and preoperative expenses during construction period to be allocated to the fixed assets on the completion of construction.

2.4 DEPRECIATION:

Depreciation on fixed assets has been provided on Written down Value (WDV) Method at the rates and in the manner prescribed under schedule XIV to the Companies Act, 1956. Depreciation on additions to fixed assets is provided on a pro-rata basis from the date of put to use. Depreciation on assets sold, discarded or scrapped, is provided up to the date on which the said asset is sold, discarded or scrapped. In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

2.5 GOVERNMENT GRANTS/ SUBSIDIES :

Government grants and subsidies are recognized when there is reasonable assurance that the same will be received and company will comply with the conditions attached to them. Revenue grants are recognized in the financial statements either as income or deducted from related expenses. Capital grants/ subsidies are credited to respective fixed assets where it relates to specific fixed assets.

2.6 INVESTMENTS:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long- term investments. Current investments are stated at lower of cost and fair value determined. Long term Investments are stated at cost after deducting provisions for permanent diminution in the value, if any.

2.7 INVENTORIES:

Inventories are carried at the lower of cost and net realisable value. Cost for the purpose is worked out on weighted average basis and comprises all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. In case of finished goods, semi-finished goods and work in progress, an appropriate overhead are allocated on full absorption costing basis and includes excise duty wherever applicable.

2.8 REVENUE:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The Sales are accounted for on dispatch and are stated exclusive of excise duty, VAT/ Sales Tax and are net of trade discounts, sales commission and sales return. Other items of revenue are recognised in accordance with the Accounting Standard (AS - 9). Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rate.

2.9 RETIREMENT BENEFITS:

(i) Defined Contribution Plan

Employees benefits in the form of provident fund and other labour welfare fund are considered as defined contribution plan and the contributions are charged to the profit and loss account of the year when the contributions to the respective funds are due.

(ii) Defined Benefit Plan

Retirement benefits in the form of gratuity is considered as defined benefits obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

(iii) Other Long-term benefits

Long-term compensated absences are provided for on the actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Actuarial gain/losses, if any, are immediately recognized in the Profit & Loss Account.

2.10 IMPAIRMENT OF ASSETS:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

2.11 TAXES ON INCOME:

Tax expense comprises current and deferred tax. Provision for the current tax is made on the basis of taxable income for the current accounting year in accordance with the provisions of Income Tax Act, 1961. Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. The company reviews the carrying amount of MAT at each Balance Sheet date and adjusts MAT credit entitlement to the extent there is convincing evidence to the effect that the company will pay normal income tax during the specified period.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized and carried forward for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets / liabilities are reviewed at the end of each reporting period based on the development during the year to reassess realizations or liabilities.

2.12 RESEARCH AND DEVELOPMENT EXPENDITURE:

Revenue expenditure on Research and Development is charged to profit and loss statement in the year in which it is incurred and are included under the related head of expenditure.

2.13 BORROWING COSTS:

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are recognised as an expense in the period they occur.

2.14 INTANGIBLE ASSET:

Intangible asset is recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased / developed software are written off over a period of three years.

2.15 PROVISIONS AND CONTINGENCIES:

A Provision is recognized for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimates of the amount required to settle the obligation at the Balance Sheet date. Liabilities which are material in nature and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts. Contingent assets are neither recognized nor disclosed in the financial statements. The company does not recognize a contingent liability but disclose its existence in the financial statements.

2.16 CASH & CASH EQUIVALENTS:

Cash and cash equivalent comprise cash in hand and at bank. The company considers all highly liquid investments with a original maturity period of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

2.17 EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

To

**The Members,
BARAK VALLEY CEMENTS LTD.,
Guwahati, Assam.**

We have examined the attached Consolidated Balance Sheet of **Barak Valley Cements Ltd.** and its subsidiaries as at 31st March 2012, the consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year ended on that date. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We have conducted our audit in accordance with generally accepted auditing standards in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report that the consolidated financial statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS) - 21 "Consolidated Financial Statements" and Accounting standard (AS) -23 " Accounting for investments in associates in consolidated financial statements" issued by the Institute of Chartered Accountants of India and on the basis of the Separate audited financial statements of the company and its subsidiaries included in the Consolidated Financial Statements.

On the basis of information and explanations given to us and on the consideration of separate audit reports on individual financial statements of the company and its subsidiaries, we are of the opinion that the said consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Company and its subsidiaries as at 31st March 2012;
- (b) In the case of the Consolidated Statement of Profit and Loss, of the Loss of the company and its subsidiaries for the year ended on that date; and
- (c) In the case of the Consolidated Cash Flow Statement, of the consolidated Cash flows of the company and its subsidiaries for the year ended on that date.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH' 2012

1. Basis of Consolidation

- 1.1 The consolidated financial statements comprise the financial statements of Barak Valley Cements Ltd. (BVCL) and its following subsidiaries:

S.No.	Name of the Subsidiary (All incorporated in India)	Proportion of Ownership as at 31.03.2012
1	Meghalaya Minerals & Mines Ltd.	100%
2	Badarpur Energy Pvt. Ltd.	100%
3	Cements International Ltd.	100%
4	Goombira Tea Company Ltd.	100%
5	Singlacherra Tea Company Pvt. Ltd.	100%
6	Chargola Tea Company Pvt. Ltd.	100%
7	Valley Strong Cements (Assam) Ltd.	100%

- 1.2 In accordance with the Accounting Standard 21 on "Consolidated Financial Statement" issued by the Institute of Chartered Accountants of India (ICAI), the consolidated financial statements have been prepared on line by line basis by adding together the book value of like items of assets, liabilities, income and expenses, after eliminating intra group balances and the unrealized profits/ losses on intra group transactions, and are presented to the extent possible, in the same manner as the Company's separate financial statements.

The excess/shortfall of cost to the company of its investment in the subsidiary companies, over the net assets at the time of acquisition in the subsidiaries as on the date of the investment is recognized as goodwill/capital reserve as the case may be.

- 1.3 The parent and the subsidiary companies provide depreciation on Written Down Value method except the "Badarpur Energy Private Limited", where depreciation is provided on Straight Line Method at the rate and in the manner prescribed in Schedule XIV to the Companies Act, 1956. Except this, the parent and the subsidiary have adopted uniform accounting policies for like transactions and are presented, to the extent possible, in the same manner as the company's separate financial statements.

2. Significant Accounting Policies :

Basis of Preparation : The financial statements of the company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared on an accrual basis and under the historical cost convention basis.

2.1 PRESENTATION AND DISCLOSURES OF FINANCIAL STATEMENT

During the year ended 31st March, 2012, the revised Schedule VI notified under the Companies Act 1956, has become applicable to the company, for preparation and presentation of its financial statements. The adoption of revised Schedule VI does not impact recognition and measurement principles followed for preparation of financial statements. However, it has significant impact on presentation and disclosures made in the financial statements. The company has also reclassified the previous year figures in accordance with the requirements applicable in the current year.

2.2 ESTIMATES :

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.3 FIXED ASSETS:

- (a) Tangible Fixed Assets are stated at their original cost of acquisition, installation or construction (net of Cenvat credit, if any) less accumulated depreciation, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the assets to its working condition for its intended use, less trade discounts, rebates, specific grants received.
- (b) An Intangible asset is recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful economic life. Expenditure on purchased software and IT related expenditure are written off over a period of three years.
- (c) Capital Work -In -Progress: Capital work in progress is carried at cost comprising direct cost and preoperative expenses during construction period to be allocated to the fixed assets on the completion of construction.

2.4 DEPRECIATION:

Depreciation on fixed assets has been provided on Written down Value (WDV) Method at the rates and in the manner prescribed under schedule XIV to the Companies Act, 1956. Depreciation on fixed assets of 'Badarpur Energy Pvt. Ltd.', a subsidiary company is provided on straight -line -method at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956. Depreciation on additions to fixed assets is provided on a pro -rata basis from the date of put to use. Depreciation on assets sold, discarded or scrapped, is provided up to the date on which the said asset is sold, discarded or scrapped. In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

2.5 GOVERNMENT GRANTS/ SUBSIDIES :

Government grants and subsidies are recognized when there is reasonable assurance that the same will be received and company will comply with the conditions attached to them. Revenue grants are recognized in the financial statements either as income or deducted from related expenses. Capital grants/ subsidies are credited to respective fixed assets where it relates to specific fixed assets.

2.6 INVESTMENTS:

Current investments are stated at lower of cost and fair value determined. Long term Investments are stated at cost after deducting provisions for permanent diminution in the value, if any.

2.7 INVENTORIES:

Inventories are carried at the lower of cost and net realisable value. Cost for the purpose is worked out on weighted average basis and comprises all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. In case of finished goods, semi-finished goods and work in progress, an appropriate overhead are allocated on full absorption costing basis and includes excise duty wherever applicable.

2.8 REVENUE:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The Sales are accounted for on dispatch and are stated exclusive of excise duty, VAT/ Sales Tax and are net of trade discounts, sales commission and sales return. Other items of revenue are recognised in accordance with the Accounting Standard (AS - 9). Interest income is recognized on time proportion basis taking into account the amount outstanding and the applicable interest rate.

2.9 RETIREMENT BENEFITS:

- (i) Defined Contribution Plan: Employees benefits in the form of provident fund and other labour welfare fund are considered as defined contribution plan and the contributions are charged to the profit and loss account of the year when the contributions to the respective funds are due.
- (ii) Defined Benefit Plan: Retirement benefits in the form of gratuity is considered as defined benefits obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.
- (iii) Other Long-term benefits: Long-term compensated absences are provided for on the actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Actuarial gain/losses, if any, are immediately recognized in the Profit & Loss Account.

2.10 IMPAIRMENT OF ASSETS:

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/external factors. An impairment loss will be recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognized impairment loss is further provided or reversed depending on changes in circumstances.

2.11 TAXES ON INCOME:

Tax expense comprises current and deferred tax. Provision for the current tax is made on the basis of taxable income for the current accounting year in accordance with the provisions of Income Tax Act, 1961. Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. The company reviews the carrying amount of MAT at each Balance Sheet date and adjusts MAT credit entitlement to the extent there is convincing evidence to the effect that the company will pay normal income tax during the specified period.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized and carried forward for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable

income will be available against which such deferred tax assets can be realized. Deferred tax assets / liabilities are reviewed at the end of each reporting period based on the development during the year to reassess realizations or liabilities.

2.12 RESEARCH AND DEVELOPMENT EXPENDITURE:

Revenue expenditure on Research and Development is charged to profit and loss statement in the year in which it is incurred and are included under the related head of expenditure.

2.13 BORROWING COSTS:

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective assets. All other borrowing costs are recognised as an expense in the period they occur.

2.14 INTANGIBLE ASSET:

Intangible asset is recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the Company and the cost of the assets can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased / developed software are written off over a period of three years.

2.15 PROVISIONS AND CONTINGENCIES:

A Provision is recognized for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimates of the amount required to settle the obligation at the Balance Sheet date. Liabilities which are material in nature and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts. Contingent assets are neither recognized nor disclosed in the financial statements. The company does not recognize a contingent liability but disclose its existence in the financial statements.

2.16 CASH & CASH EQUIVALENTS:

Cash and cash equivalent comprise cash in hand and at bank. The company considers all highly liquid investments with a original maturity period of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

2.17 EARNINGS PER SHARE:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.18 SEGMENT REPORTING:

The company has identified that its business segments are the primary segments. The company's business are organized and managed separately accordingly to the nature of products / services, with each segment representing a strategic business unit that offers different products /services.
