TAMS & Co. LLP

CHARTERED ACCOUNTANTS

Independent Auditors' Report

To the Members of

Meghalaya Minerals & Mines Ltd.,

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **Meghalaya Minerals & Mines Limited ('the Company')**, which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025, Loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our Report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of Key Audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the standalone financial statements and Auditors' Report thereon

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Managements and Board of Directors' Responsibility for the Standalone Financial Statements:

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, financial performance including other comprehensive income, cash flows and changes in equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal & Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated below in paragraph 3 on Reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - c) The Standalone Balance Sheet, the standalone Statement of Profit and Loss including other comprehensive income, Statement of changes in Equity and the Cash Flows Statement dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under section 133 of the Act.
 - e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025, from being appointed as a director in terms of section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

The company has not paid or provided any managerial remuneration during the year.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 and to the best of our information and according to the explanation given to us:
 - (i) There is No material pending litigation against the company; hence the impact of the same on financial position of the company is Nil.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

(iii) There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the company.

(iv) (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party "Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on our audit procedure conducted that are considered reasonable and appropriate in the circumstances, nothing has come to our attention that cause us to believe that the representation under sub clause (i) and (ii) of Rule 11 (e) as provided under paragraph (2) (h) (iv) (a) & (b) above, contain any material misstatement.

(v) The company has not declared or paid any dividend during the year in contravention of the provisions of section 123 of the Companies Act, 2013.

3. Based on our examination, the company has used accounting software Tally Prime for maintaining its Books of Accounts which has a feature of recording Audit trail (edit log) facility. However, in the absence of adequate evidence of necessary controls and documentation regarding audit trail, we are unable to comment whether audit trail feature of the aforesaid software was enabled and operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of the audit trail feature has been tampered with.

Annexure "A" to the Independent Auditors' Report

The Annexure referred to in Paragraph (1) under the heading of "Report on Other Legal and Regulatory Requirements" of our report for the year ended 31st March, 2025:

1. In respect of the Company's Property, plant and equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (b) Company has not held any intangible assets during the year under our audit.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has a regular programme of physical verification of its Property, plant and equipment by which all property, plant and equipment are physically verified by the Management in a phased manner at reasonable intervals. Such periodicity is reasonable having regard to the size of the business and nature of its Property, plant and equipment. No material discrepancies were noticed on such physical verification.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
 - (e) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not re-valued its property, plant and equipment or intangible assets or both during the year.
 - (f) According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no proceedings initiated or pending against the company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made there under.
2. (a) According to the information and explanation given to us; the inventories have been physically verified by the management during the year. In our opinion, having regard to nature and location of inventory, the procedures of physical verification of inventories as followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business. The discrepancies noticed on such verifications between the physical stock and book records in each class of inventory is less than 10% and have been properly dealt within the books of accounts.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees in aggregate from banks or financial institutions on the basis of security of current assets of the company.
3. The Company has not made any investment, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties during the year. So, the provisions of paragraph 3(iii) (a), (b), (c), (d), (e) and (f) are not applicable to the company.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments made, guarantees and security.

5. The company has not accepted any deposits within the meaning of Sections 73 to 76 of the Companies Act and the Companies (Acceptance of Deposits) Rules, 2014, as amended. Accordingly, the provisions of the clause 3 (v) of the Order are not applicable to the company.
6. The requirement of maintenance of Cost Records under section 148(1) of the Companies Act, 2013 is not applicable to the company.
7. (a) The company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, income-tax, sales –tax, wealth tax, service tax, value added tax, goods and service tax, excise duty, cess and other material statutory dues applicable to it, with the appropriate authorities. There were no arrears of statutory dues as at 31st March' 2025 for a period of more than six months from the date it became payable, except the Royalty payable of Rs. 198.48 Lacs.
- (b) According to the information and explanations given to us, there are no dues of Goods and Service Tax, income –tax, or sales tax or service tax or duty of customs or duty of excise or value added tax which have not been deposited with the appropriate authorities on account of any dispute.
8. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
9. (a) Based on our audit procedures and as per the information and explanation given to us by the management, the company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender including the loans and interest which are repayable on demand.
- (b) Based on our audit procedures and as per the information and explanation given to us by the management, the company has not declared as wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, No term loans were raised during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the company, we report that no funds raised on short term basis have been used for long term purposes by the company.
- (e) According to the information and explanations given to us and on the basis of our examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint venture or associate companies.

10. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. According, clause 3(x)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or convertible debentures during the year. According reporting under clause 3(x) (b) of the Order is not applicable.
11. (a) According to the information and explanations given to us, and based upon the audit procedures performed during the year, we report that no fraud by the company or on the company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no whistle blower complaints have been received by the company during the year.
12. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements, as required by the applicable Indian accounting standards.
14. The company has an internal audit system commensurate with the size and nature of its business.
15. In our opinion and according to the information and explanations given to us, the Company has not entered into any non cash transactions with directors or persons connected with him and hence requirement to report on clause 3 (xv) of the Order is not applicable to the company.
16. (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the company. Accordingly, the requirement to report on clause 3(xvi) (a) to (c) of the order is not applicable to the company.
- (b) In our opinion, there is no core investment company within the Group and accordingly reporting on clause 3(xvi) (d) of the Order is not applicable to the company.
17. According to the information and explanations given to us, the Company has incurred Cash loss amounting Rs. 117.20 Lacs in the current financial year and Rs. – Nil- in the immediately preceding financial year.
18. There has been no resignation of the Statutory auditors during the year. Accordingly, provisions of clause (xviii) of the Order are not applicable to the company.
19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the

Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however state that, this is not an assurance as to the future viability of the company. We further state that, our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

20. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub- section (5) of section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and (b) of the Order are not applicable.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Meghalaya Minerals & Mines Limited** ("the Company") as of 31st March, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. CORPORATE INFORMATION

Meghalaya Minerals & Mines Limited (the company) is a public limited company incorporated under the provisions of the Companies Act, 1956. The company is primarily engaged in the business of extraction and crushing of Limestone in the state of Meghalaya. The company is wholly owned subsidiary of 'Barak Valley Cements Limited'.

2. Material Accounting Policies and other explanatory information:

2.1 Basis of Preparation:

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

The accounting policies are consistently followed by the company and changes in accounting policy are separately disclosed.

(ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the Certain financial assets & Liabilities that are measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement dates under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique.

(iii) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lacs as per the requirement of Schedule III, unless otherwise stated.

2.2 Current and non-current classification

All the assets and liabilities have been classified as current or non- current as per the company's normal operating cycle of twelve months and other criteria set out in the Schedule - III to the Companies Act, 2013.

2.3 Use of Estimates :

The preparation of financial statements is in conformity with generally accepted accounting principles which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.4 Property, plant and equipment:

For Meghalaya Minerals & Mines Ltd.
Ragunur K. Talukder

Director

For Meghalaya Minerals & Mines Ltd.
Ashish Kumar Bajoraj
Director

All items of Property, plant and equipment (PPE) are stated at their historical cost of acquisition, installation or construction (net of any recoverable amount, if any) less accumulated depreciation, amortization and impairment losses, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the assets to its working condition for its intended use. Subsequent expenditure is included in the asset's carrying amount or recognised as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably.

2.5 Expenditure during construction period:

In case of new projects and substantial expansion of existing units, expenditure incurred including trial production expenses net of revenue earned prior to commencement of commercial production/ completion of project are capitalized as part of property, plant and equipment.

2.6 Depreciation:

Depreciation on Property, plant and equipment is provided on Written down Value (WDV) Method in accordance with the provisions of Schedule II to the Companies Act, 2013 and considering the useful lives for computing depreciation specified in Part 'C' thereof. Depreciation is provided on components that have homogenous useful lives by using the WDV method so as to depreciate the initial cost down to the residual value over the estimated useful lives. In respect of an asset for which impairment loss is recognized, depreciation is provided on the revised carrying amount of the assets over its remaining useful life. Estimated useful lives, residual values and depreciation methods are reviewed annually, taking into account commercial and technological obsolescence as well as normal wear and tear and adjusted accordingly.

2.7 Intangible Assets :

An Intangible asset is recognized when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased / developed software and IT related expenditure is written off over a period of three years.

2.8 Financial Instruments:

A financial instrument is any contract that give rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(A) Financial Assets:

i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the company's business model for managing the financial assets and the contractual terms of cash flows. For assets measured at fair value, gains and losses will either be recorded in the statement of profit or loss or other comprehensive income. For

For Meghalaya Minerals & Mines Ltd.

Tarun Kar Talahyen

Director

For Meghalaya Minerals & Mines Ltd.

Ashish Kumar Boroj

Director

investment in debt instruments, this will depend on the business model in which the investment is held.

ii) Measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of financial assets.

Debt instruments

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. The company classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collections of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss (FVTPL):** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

Equity instruments

The company subsequently measures all equity investments (except subsidiary, associate and joint venture, which are carried at cost) at fair value through other comprehensive income.

iii) Impairment of financial assets

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through standalone statement of profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognized as an impairment gain or loss in standalone statement of profit and loss. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables. As a practical expedient, the Company uses a provision matrix to determine impairment loss of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. The ECL loss allowance (or reversal) during the year is recognized in the standalone statement of profit and loss.

iv) De-recognition of financial assets

For Meghalaya Minerals & Mines Ltd.

Ramesh Kumar Tuli

Director

For Meghalaya Minerals & Mines Ltd.

Ashish Kumar Bora

Director

A financial asset is derecognised only when

- The company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset.

v) Trade Receivables

Trade receivables are recognized initially at transaction price. Later on any difference between the measurement of the receivable in accordance with Ind AS 109 and the corresponding amount of revenue recognised shall be accounted for as an expense. Subsequently receivables are measured at amortized cost using the effective interest method, less provision for impairment if any.

(B) Financial liabilities:

i) Classification

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

ii) Measurement

Financial liabilities are initially recognised at fair value, reduced by transaction costs (in case of financial liability not at fair value through statement of profit or loss), that are directly attributable to the issue of financial liability. After initial recognition, financial liabilities are measured at amortised cost using effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash outflow (including all fees paid, transaction cost, and other premiums or discounts) through the expected life of the financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. At the time of initial recognition, there is no financial liability irrevocably designated as measured at fair value through statement of profit and loss.

iii) De-recognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the standalone statement of profit and loss.

iv) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of

For Meghalaya Minerals & Mines Ltd.

For Meghalaya Minerals & Mines Ltd.

Rajon K. Talukdar

Ashish Kumar Bora

Director

Director

transaction costs) and the redemption amount is recognised in standalone statement of profit and loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to any other party and the consideration paid, is recognized in profit or loss as finance cost or other income. Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for 12 months after the reporting period.

v) Trade payables

Trade and other payables represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. They are initially recognized at fair value and subsequently at amortized cost using the effective interest method.

2.9 Revenue Recognition:

The company recognizes revenue when the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the company. Sales are recognized when substantial risks and rewards of ownership and control of the product are transferred to the customer.

Revenue is measured at the fair value of the consideration received or receivable. Revenue is exclusive of goods and service tax and net of quantity discounts, cash discounts, rebates and sales returns. A receivable is recognised when the goods are dispatched to the customers in the normal course of business.

Interest income is recognized using the effective interest rate method.

2.10 Inventories:

Raw Materials and stores and spares are valued at lower of cost and net realizable value. Cost is determined on weighted average basis and includes purchase price, other cost incurred in bringing the inventories to their present location and condition and taxes for which credit is not available.

Finished goods and traded goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a part of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Cost of Inventories is computed on weighted average basis.

2.11 Impairment of non – financial assets:

Property, plant and equipment, intangible assets and assets classified as investment property with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

For Meghalaya Minerals & Mines Ltd.

Ramesh K. T. T. T.
Director

For Meghalaya Minerals & Mines Ltd.

Ashish Kumar B. B.
Director

If the recoverable amount of an asset or CGU is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit or loss.

An impairment loss is reversed in the statement of profit and loss if there has been a change in to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. Impairment losses on continuing operations, including impairment on inventories are recognized in the statement of profit and loss, except for properties previously revalued with the revaluation taken to other comprehensive income. For such properties, the impairment is recognized in OCI up to the amount of any previous revaluation surplus.

2.12 Employee Benefits:

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Defined Contribution Plan

Employees benefits in the form of provident fund and other labour welfare fund are considered as defined contribution plan and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due.

(iii) Defined Benefit Plan

Retirement benefits in the form of gratuity are considered as defined benefits obligations and are provided for on the date of balance sheet.

(iv) Other Long-term benefits

Long-term compensated absences are provided for as at the date of the Balance Sheet.

Actuarial gain/losses, if any, are recognized in the statement of profit and loss.

2.13 Government Grants and Subsidies:

Government grants and subsidies are recognized when there is reasonable certainty that the same will be received. Revenue grants in the nature of recoupment or reimbursement of any particular items of expenses are recognized in the statement of profit and loss as deduction from related item of expenditure. Capital grants related to assets which are recognized in the Balance Sheet as deferred income, are recognized in the Statement of Profit and Loss on a systematic basis over the useful life of the related assets by netting off with the related expenses.

2.14 Tax Expenses:

Tax expenses represent the sum of current tax and deferred tax

For Meghalaya Minerals & Mines Ltd.

For Meghalaya Minerals & Mines Ltd.

Ruman Kr Talukder

Director

Ashish Kumar Bojaj
Director

(a) Current Income -Tax:

Provision for the current tax is made on the basis of taxable income for the current accounting year in accordance with the provisions of Income Tax Act, 1961. Current income -tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Liability for additional taxes, if any, is provided /paid as and when assessments are completed. Current tax related to OCI item are recognised in Other Comprehensive Income (OCI).

Minimum Alternate Tax (MAT) : Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specific period i.e., the period for which MAT credit is allowed to be carried forward. Such assets is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specific period.

(b) Deferred Tax :

Deferred income tax assets and liabilities are recognised for temporary differences which is computed using the tax rates and tax laws that have been enacted or substantially enacted at the reporting date. Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

2.15 Borrowing Costs:

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset is capitalized as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expense in the period in which they are incurred.

2.16 Provisions and Contingencies :

A Provision is recognized for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are determined based on best estimates of the amount required to settle the obligation at the end of the reporting period. The increase in the provision due to the passage of time is recognised as interest expenses. Liabilities which are material in nature and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts. Contingent assets are also disclosed by way of notes to the accounts.

For Meghalaya Minerals & Mines Ltd.

Raman Kr. Tobhyen

Director

For Meghalaya Minerals & Mines Ltd.

Ashish Kumar B. B. B.

Director

2.17 Cash and Cash Equivalents :

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, demand deposits with banks and other short term highly liquid investment /deposits with an original maturity period of three or less than three months.

2.18 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss before other comprehensive income for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss before other comprehensive income for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.19 Lease :

Leases of property, plant and equipment; where the Company as lessee has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the

present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.20 Offsetting financial instruments :

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty

- (37) **Financial risk management:** The Company's activities are exposed to a variety of financial risks: credit risk, liquidity risk and interest rate risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk:

Risk	Exposure arising from	Management
Credit risk	Cash and cash equivalents, trade receivables and financial assets measured at amortized cost.	Diversification of customer base
Liquidity risk	Financial liabilities that are settled by delivering cash or another financial asset.	Projecting cash flows and considering the level of liquid assets necessary to meet the liabilities
Market risk – interest rate	Long-term borrowings at fixed rates	Portfolio of loan contains fixed interest loans from financial institutions & others.

- (a) **Credit Risk:** Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities primarily from trade receivables including deposits with banks and financial institutions and other financial instruments.

- (i) **Trade receivables:** Customer credit risk is managed by the company through its established policy, procedures and control relating to customer credit risk management. Trade receivables are non interest bearing and are generally carrying 30-45 days credit term. Outstanding debtors are regularly monitored by the sales and collection team of the company. Further the company receives security deposits from its customers which mitigate the credit risk.

- (ii) **Financial instruments and deposits:** Credit risk from balance with banks and financial institutions is managed by the finance department of the company. Investments of surplus funds are made only with approved counterparties in accordance with the company's policy. Loans are given to body corporate as per the company policy and the receipt of repayment are reviewed on regular basis. Other financial assets are considered to be of good quality and there is no significant risk.

- (b) **Liquidity Risk :** Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or other financial asset. Due to the nature of the underlying business, the company maintains sufficient cash and liquid investments available to meet its obligation. Management of the company regularly monitors rolling forecast of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

The company has repaid entire working capital facilities and WCTL loan obtained from the Bank and there is Nil borrowing as at the balance sheet date.

For Meghalaya Minerals & Mines Ltd.

Sumir Ur Talabon

Director

For Meghalaya Minerals & Mines Ltd.

Ashish Kumar Bora

Director

- (c) **Interest rate Risk:** Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. As there is no borrowings from market, company is not subject to interest rate risk as defined in Ind AS 107.

(38) - **Capital management**

Risk Management: The company's objective when managing capital are to:

- Safeguard their ability to continue as a going concern of the company, so that they can provide returns for shareholders and benefits for other stakeholders
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the company may adjust the amount of dividend to shareholders, return capital to shareholders or issue new shares.
